Dear Dr. Chandra:

On behalf of Junior Achievement of British Columbia and the A World of Choices Steering Committee I would like to give my sincere thanks for presenting at this year's A World of Choices Career Conference on Saturday, November 4, 2006.

World of Choices is a unique initiative that encourages young women to pursue the careers of their dreams, make decisions regarding their futures, and learn valuable lessons from successful business professionals in the community. Your willingness to share your knowledge with young women shows your commitment to developing strong, empowered youth who will take a leading role in creating a successful future for BC.

Once again thank you for taking the time to be part of this exciting conference and for giving young women across the lower mainland the opportunity to experience **a world of choices!**

Sincerely,

Christopher Hindle
Manager, Special Events & Public Relations
